

Robert Cray, Don't Be Afraid Of The Dark

Dead of the night baby
We're finally alone
I'll pull up the shades
If you'll unplug the phone

Put on some music
Marvin Gaye's real nice
Once we get settled
I'll turn off the lights

[Chorus:]
Don't be afraid of the dark
Don't be afraid of the dark
I'll be there to hold you
Don't be afraid of the dark

It might be scary
Til your eyes adjust
Don't fear the shadows
Me you can trust

I'm at my best
In a pitch black room
Hold on tight baby
You'll feel the power soon

[Chorus]

You might tremble
You might shake
Scream out loud
Maybe even pray

I know which moves
Suit you right
You'll beg for more
You'll forget about the night

[Chorus]
