

Robert Cray, If You're Thinkin' What I'm Thinkin'

If you're thinkin' what I'm thinkin'
Let's not waste any time
It's been real lonely here lately
It's either your place or mine

If you're thinkin' what I'm thinkin'
Ohhh, you might just save my life
It will put me through all the procedures
And now I don't even have a wife

Kind of sweet, really cute
But it really doesn't matter
I've got so much love stored up in me
I believe I'm gonna shatter

If you're thinkin' what I'm thinkin'
Ohhh, you might just save my life
It will put me through all the procedures
And now I don't even have a wife

(Saxophone solo)

No I really never thought
That a man can get this way
But all this feeling got to leave me
Just as sure as my name is Cray

Oh yeah, if you're thinkin' what I'm thinkin'
Ohhh, you might just save my life
It will put me through all the procedures
And now I don't even have a wife

(Guitar outro)
