

Robert Earl Keen, Jr., Maria

There's a soft rain tappin' on your window
There's a cool breeze blowin' off the bay
And, a warm flame dancin' with our shadows
To music playing far away

I never meant to stay an hour
I thought that I was passin' through
Another town along the highway
I never meant to fall for you

CHORUS

I can't speak for you, Maria
I only know the way I feel
But when I sleep with you, Maria,
There's nothin' left for dreams to steal

On a Bible by the mirror
The only treasures that we hold
The only secrets that we're keepin'
A watch and chain, a cross of gold

REPEAT CHORUS

When the sunlight brings the morning
I cannot tell you what I'll do
But I've a mind to take you with me
And I've a heart to stay with you

REPEAT CHORUS

Repeat last line of chorus
