

# Robert Earl Keen, Jr., That Buckin' Song

I had a horse  
named Bad Luck  
She weren't good lookin'  
but she sure could buck

Chorus  
Yahoo hey hey  
Yippee yi cy yey

I put my mama on her  
She threw her in the air  
My mama said son  
"that's a mother buckin' mare";

Chorus

Took her to the rodeo  
She won second place  
She was really buckin' good  
in the buckin' barrel race

Chorus

She won a thousand dollars  
I put it in my hat  
Bought a brand new saddle  
She bucked me out of that

Chorus

She bucked me on the  
pick-up truck  
She bucked me on the fence  
My daddy said  
son, you got no buckin' sense";

Chorus

So if you gotta buck  
Don't ever buck around  
That buckin' mother buck  
will buck you on the ground

Chorus
