

Robert M, Kiss the Sky (feat. Jai Matt)

Bright light, it's goin'
Dance floor is smoking
O, o. o, lets?s go
Breath the air
Oh, i?ll take you there

Hold your ____ this is burning
Everybody in this place, yeah, we're burnin'
We're taking off, yeah, we're taking off
We're taking off the atmosphere

Tonight we're gonna kiss the sky
Flying up and get so high
Gonna party, we're going out of control

The sky, the sky, the sky, the sky /2x

____ are we going?
We're 'bout to take this journey
O, o. o, lets?s go
Breath the air
Oh, i?ll take you there

Hold your ____ this is burning
Everybody in this place, yeah, we're burnin'
We're taking off, yeah, we're taking off
We're taking off the atmosphere

Tonight we're gonna kiss the sky
Flying up and get so high
Gonna party, we're going out of control

The sky, the sky, the sky, the sky /2x

Oh, this what we do
A fire burning through
You feel it, you feel it
Put your hands up in the air, the air, the air
We're gonna kiss the sky, the sky, the sky
To navigate ____
Tonight we're go a laught, a laught, a laught /2x

Tonight we're gonna kiss the sky
Flying up and get so high
Gonna party, we're going out of control

The sky, the sky, the sky, the sky
The sky, the sky, the sky, out of control
