always ever for the  
I swear you never gone get old  
we will be stuck at 23

got my t0shirt off  
and my hands on yours

when the people don't care

..  
and my friends messed up  
party don't stop, baby  
how you did find love in here

don't wanna be alone for the summer  
don't wanna go home to my empty sheets  
I built a place for beautiful people  
I saw you baby waiting for  
don't wanna be alone for the summer  
don't wanna go home to my empty sheets  
I built a place for beautiful people  
I saw you baby waiting for
