

Robert M, Want It Tonight

I Want It Tonight
And my knees are shaking in the air
I need It Tonight
And me body is quake in the air

Once time baby
Show me everything you've got
Tease in me baby
Sexy body turn around

Let's move this way
And I need you more everyday
Nobody pays
What's the reason why I feel this way

I Want It Tonight
And my knees are shaking in the air
I need It Tonight
And me body is quake in the air

Take your time baby
Move on sexy and soft
Feel the groove, baby

...
Come deep into my heart
When it's rise it given me more
I put you in
Coz the tempo what I feel ...

I Want It Tonight
And my knees are shaking in the air
I need It Tonight
And me body is quake in the air
