

# Robert Palmer, Ain't That Just Like A Woman

Yes Adam was happy as a man could be  
Till Eve started messin with that old apple tree.  
Aint that just like a woman,  
Aint that just like a woman,  
Aint that just like a woman, theyll do it everytime.  
You can buy a woman clothes, give her money on the side.  
No matter what cha do shes never satisfied.  
Aint that just like a woman,  
Aint that just like a woman,  
Aint that just like a woman, theyll do everytime.

Marie Antoinette watched those cats at the gate  
Then she cried in French, let em eat cake.  
Aint that just like a woman,  
Aint that just like a woman,  
Aint that just like a woman, theyll do it everytime.

Yes Adam was happy as a man could be  
Till Eve started messin with that old apple tree.  
Aint that just like a woman,  
Aint that just like a woman,  
Aint that just like a woman, they do it everytime.

Yes you can buy a woman clothes, give her money on the side  
No matter what cha do theyre never satisfied.  
Aint that just like a woman,  
Aint that just like a woman,  
Aint that just like a woman, theyll do everytime.
