She's just testing her wings and if you give in to her, you'll be just another feather in her cap-she'll

She's casting a spell, she's casting a spell, well if she's casting a spell, I can cast one as well.

So I said. "No, no, no, I ain't falling for this!

This girl is built to tease; she's only testing the efficiency of her kiss."

She's casting a spell.

Well, if she's casting a spell; I can cast one as well.

She wants to check out how you check out on her test-bed:

Will you get in her book or will you go right to her head?

She's casting a spell.

Well, if she's casting a spell; I can cast one as well.

And so, I cast it right back on her, don't you know my luck; she fell under the influence and then the

Now we're casting a spell, we're casting a spell-you can cast one as well!
