

# Robert Palmer, Hyperactive

Shes got a date for lunch in Singapore,  
Holds stock in I.B.M. and hates Dior.  
She puts up her make-up on at 6.00am  
She goes to work, gets home then puts it on again

And its a mystery how wild that girl can be;  
Shes got so much energy;  
Shes such an expert at surprising me.  
Shes hyperactive when she starts to dance.  
And shes so attracted to a wild romance,  
And more effective than a stimulant -  
Shes hyperactive.  
Shes hyperactive when she starts to dance.  
she never missed a beat or missed a chance,  
And Im persuaded by her argument.  
Shes hyperactive.

The other dancers hyperventilate and start to sweat.  
One look at her - I know the nights not over yet.  
She says Where are we going now?  
Her voice is sweet and soft.  
I think she lost the key that turns her motor off.
