

Robert Plant & Alison Krauss, Gone, Gone, Gone

Some sunny day-hay baby
When everything seems okay, baby
You'll wake up and find out you're alone
Cause I'll be gone
Gone, gone, gone really gone
Gone, gone gone, 'cause you done me wrong

And everyone that you meet baby
As you walk down the street baby
Will ask you why you're walkin' all alone
Why you're on your own
Just say I'm gone
Gone, gone, gone
Gone, gone gone, 'cause you done me wrong

And if you change your way baby
You might get me to stay baby
You better hurry up if ya don't wanna be alone
Or I'll be gone
Gone, gone, gone,
Really gone
Gone, gone gone,
'Cause you done me wrong

Hey, done me wrong

Yeah, yeah, yeah hah hah

Some sunny day-hay baby
When everything seems okay, baby
You'll wake up and find out you're alone
Cause I'll be gone
Gone, gone, gone, really gone
Gone, gone gone,
'Cause you done me wrong
Hmm, you done me wrong
Hmm, you done me wrong
Whaew whaew....
