## Robert Plant & Alison Krauss, Let Your Loss Be \

Once I had myself a good woman But I just didn't treat her right I was always leaving Livin' a party life

True love was waiting for me I was much too blind to see Till she told me she would leave me I said that's all right with me

Oh now she's gone Realize I lost the best thing there is And my pride keeps telling me Let your loss be your lesson

Heaven knows I miss her lovin'
Heaven knows how much I cry
Just to think she had left me
And I know the reason why
I could tell she had been cryin'
It didn't seem to bother me
Cause I know there's no one blinder
Than a fool who just couldn't see

Oh, now she's gone I realize I lost the best thing there is And my pride keeps tellin' me Let your loss be your lesson
