

Robert Plant & Alison Krauss, Stick With Me Baby

Everybody's been a-talkin'
They say our love wasn't real
That it would soon be over;
That's not the way that I feel
But I don't worry, honey,
Let them say what they may
Come on and stick with me, baby,
We'll find a way
Yes, we'll find a way

Everybody's been a-talkin'
Yes, the news travels fast
They said the fire would stop burnin',
That the flame wouldn't last
But I don't worry, honey,
Let them say what they may
Come on and stick with me, baby,
We'll find a way
Yes, we'll find a way

Come on and stick with me, baby
Come on and stick with me, baby
Come on and stick with me, baby
Come on and stick with me, baby
Come on and stick with me, baby
Come on and stick with me, baby
