

# Robert Plant, Let Your Loss Be Your Lesson

Once I had myself a good woman  
But I just didn't treat her right  
I was always leaving  
Livin' a party life  
True love was waiting for me  
I was much too blind to see  
Till she told me she would leave me  
I said that's all right with me  
Oh now she's gone  
Realize I lost the best thing there is  
And my pride keeps telling me  
Let your loss be your lesson  
Heaven knows I miss her lovin'  
Heaven knows how much I cry  
Just to think she had left me  
And I know the reason why  
I could tell she had been cryin'  
It didn't seem to bother me  
Cause I know there's no one blinder  
Than a fool who just couldn't see  
Now she's gone  
I realize I lost the best thing there is  
And my pride keeps tellin' me  
Let your loss be your lesson
