

Robert Plant, Stick With Me Baby

Everybody's been a-talkin'; they say our love wasn't real
That it would soon be over; that's not the way that I feel
But I don't worry, honey; let them say what they may
Come on and stick with me, baby; we'll find a way
Yes, we'll find a way

[Instrumental]

Everybody's been a-talkin'; yes, the news travels fast
They said the fire would stop burnin', that the flame wouldn't last
But I don't worry, honey; let them say what they may
Come on & stick with me, baby; we'll find a way
Yes, we'll find a way

[Repeat & fade:]

Come on and stick with me, baby
