

# Robert Plant, Tall Cool One

I'm like a strange cat running in the heat of the night  
I've got a fire in my eyes, got a date with delight  
Some kinda moaning in in the heart of the storm  
I'm gonna love you so hard, you'll want your loving done  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you

With my one hand loose I aim to satisfy  
You like my loving machine - I like your bloodshot eye  
Real gone girl, jumping back with the beat  
I'll be your tall cool one with the crazy feet  
Lighten up baby, I'm in love with you --

I'm so tall and you're so cute  
Let's play wild like wildcats do  
You're gonna rock your tall cool one  
I'm gonna say that, I'm gonna say that, I'm gonna say that

You stroll, you jump, you're hot and you tease  
'Cause I'm your tall cool one and I'm built to please  
You stroll, you jump, you're hot and you tease  
'Cause I'm your tall cool one and I'm built to please

[Lighten up baby, I'm in love with you --]

Move over mister - step on back in the crowd  
'Cause she's a whole lotta sister 'bout to drive me wild  
Lotta places I've been, lotta names, lotta words  
No one compares to my real gone girl  
Lighten up baby, I'm in love with you --

I'm so tall and you're so cute [etc repeated]

You stroll, you jump [etc repeated]

[Lighten up baby, I'm in love with you --]
