

Robert Wyatt, Little Red Riding Hood Hit The Road

Orlando not tell me
Oh no don't say oh God
Don't tell me oh dear me
Heavens above, oh no no
Stop
Please oh deary me
What in heaven's name?
Oh blimey!
Mercy me
Woe are we
Oh dear oh
Stop it
Stop it
You've been so kind I know I know
So why did I hurt you?
I didn't mean to hurt you
But I'll keep trying and I'm sure you will too
