

Robin Gibb, Please

(so many things I want to do to you so come on now)
Oh oh oh...Ah ah ah
(so many things I want to do to you so listen up now)

So many words I'd like to say to you
(so many words I wanna say to you so listen up now)
So many things I'd like to do for you
(so many things I wanna do to you so come on now)
I count the seconds 'til you're back by my side
The flame only burns when you're here in my life
You're the only one for me.

Please tell me how I'll ever get over you
though I know you're gone.... can't believe that it's true
(so listen up now)
please tell me how to ever stop wanting you
(and every beat of my heart)
every beat of my heart
I'll be waiting for you.

Time after time my every thought is you
(my every thought is you so listen up now)
Day after day I wanna be with you
(Every day I wanna be with you girl)
Open your heart and I'm sure that you'll see
No words can express what you mean to me
Baby you're my destiny
(so listen up now).

Please tell me how I'll ever get over you
though I know you're gone.... can't believe that it's true
(so listen up now)
please tell me how to ever stop wanting you
(and every beat of my heart)
every beat of my heart
I'll be waiting for you.

Waiting for a day when you come back in my life, I
Waiting for a day when all that's wrong is right
Praying for a time when you are here in my arms
Hold you tight, all day and all night.

Please tell me how I'll ever get over you
though I know you're gone.... can't believe that it's true
(so listen up now)
please tell me how to ever stop wanting you
(and every beat of my heart)
every beat of my heart
I'll be waiting for you.
