

Robin Thicke, Give It 2 U (Ft. Kendrick Lamar)

(Girl, give it to me) Girl, you know what it do
(Girl, give it to me) I've got something brand new
(Girl, give it to me) I'll put it all on you
(Girl, give it to me) I've got a gift for you

I've got this for you (a little dick for you)
A big kiss for you (I've got a hit for you)
Big dick for you (let me give it to you)
Baby, baby (I've got a car for you)
I've got a whip (black car for you)
Ball hard for you (I know you want to get fancy)
(I know you want to start dancing)

Hey girl, you know you lookin' so damn fine
You're looking like you fell from the sky (angel)
You know make a grown man cry
I wanna give it to you tonight
And make everything your favourite sight
Come true, ooh baby
I'll make it so, so, so amazing
I'll give it to you

(Girl, give it to me)
(Girl, give it to me)
(Girl, give it to me)
(Girl, give it to me)

What's that girl? What's that baby?
I like that girl, I like that baby
On your back girl (on your back)
Yeah, shake it like that, girl (baby, baby)
I've got an eye for you (got an eye for you)
I've got a smile for you (cheese)
Let me put it on your face for you (please)
I've got a taste for you (taste it)
I'll pull licks for you (freaky)
I'll put it on you (yeah)
So I can come and take it off you (yeah)
And get off to you

Hey girl, you know you lookin' so damn fine
You're looking like you fell from the sky (angel)
You know make a grown man cry
I wanna give it to you tonight
And make everything your favourite sight
Come true, ooh baby
I'll make it so, so, so amazing
I'll give it to you

[Kendrick Lamar:]
You're like a needle in a haystack
I wanna sit you where my face at
Lunch with a few Mai Tais
Purple kisses on my tie
Life could really predict, love
Nah, you get in this dick, love
I'm looking for you with a flashlight
I want to feel what a real fat ass feel like
No injection, I learned my lesson
I walk it like I talk it, baby, this pedestrian
Runnin' through your mind like Jackie Joyner
Pussy pop like? go get me a burner
Got shot like? this could be detrimental
T-shirt and panties, you're cotton candy, I need a fistful

I'm often antsy, hope that convince you

Hey girl, you know you lookin' so damn fine
You're looking like you fell from the sky (angel)
You know make a grown man cry
I wanna give it to you tonight
And make everything your favourite sight
Come true, ooh baby
I'll make it so, so, so amazing
I'll give it to you tonight
And make everything your favourite sight
Come true, ooh baby
I'll make it so, so, so amazing
I'll give it to you?
