

Robin Thicke, Lost Without U (Remix)

(feat. Busta Rhymes)

Yeh,

Feel like we gonna have to do this again,

Ey, you know this is one of the hottest bangers in the street right now right homie,

Yeh,

You know I mean,

Hey your real talk this feel like the theme music after you know your them fine you the one homie,

Remix,

[Chorus: x2]

I'm lost without you (Yeh)

Can't help myself (Uh huh)

How does it feel (Yeh)

To know that I love you baby (Yeh)

[Busta Rhymes:]

Let me talk to them,

Why I grieve them days being a player, and being a swinger

Is over,

Robin Thicke got you banger,

Remember I told you but I am probably sure you heard already,

I am in pursuit of the love of my life like a mercenary,

I think I found them no need hallucinating mirages,

The type that take me with me that go and get us some a couples massages

I rub her all over mami and she rubbing me back,

It's like amnesiac love, it's special, it's a sexual fact,

Now watch me, I know I should treasure the moment of pleasure,

Going through the motions that mould it and hold it together,

It's a real word I utter and what's the meaning of every word that I speak is genuine as if you were

Rehearsed like scriptures from a ministers way to pass the day,

You make me wanna breathe you and connect you, this is family,

I don't mean to be so blunt and abrupt with my fantasy,

But I trust you and you know I love you emphatically,

I am so lost with out you

[Robin Thicke:]

Tell me how you love me more

And how u think I'm sexy baby

That you don't want nobody else

You don't want this guy you don't want that guy you wanna

Touch yourself when you see me

Tell me how you love my body

And how I make you feel baby

You wanna roll with me you wanna hold with me

You wanna stay warm and get out of the cold with me

I just love to hear you say it

It makes a man feel good baby

Tell me you depend on me

I need to hear it

[Chorus]

Baby you're the perfect shape

Baby you're the perfect weight

Treat me like my birthday

I want it this way I want it that way I want it

Tell me you don't want me to stop

Tell me it would break your heart

That you love me and all my dirty

You wanna roll with me u wanna hold with me

You wanna make fires and get Norwegian wood with me

I just love to hear u say it

It makes a man feel good baby

[Chorus]

Cause you will tell me every morning

Oooh alright baby Ahhh yea

Aww baby Aww darling alright ma

[Chorus]
