

# Robin Thicke, Still Madly Crazy

What can I say  
What can I do  
When I'm crazy, so crazy for you  
And I try not to show it  
And I can't control it  
I'm still madly crazy for you  
See the birds fly  
See the blue sky  
See the best times of my life  
Watch me crawl, watch me beg  
Watch me fall deep  
Cause I, I just can't stop  
I just can't stop thinking 'bout those days  
Under sunshine too much wine  
Laying in the grass, you were all mine  
So free just like heaven  
Or what I expect  
Heaven will be  
Soaked up in love baby  
Just you and me

What can I say  
What can I do  
I'm crazy, so crazy for you  
I try not to show it  
I just can't control it  
I'm still madly crazy for you

Every night you'd close your eyes on my chest  
Like it's home  
And you say, "until that happened you just can't fall asleep"  
"Without you laying your head on me"  
But I was in chains in the rain  
Lost my soul, now you know  
So sorry you had to suffer my lack of self-control  
You think by now I might've grown

What can I say  
What can I do  
I'm crazy, so crazy for you  
I try not to show it  
But my heart can't control it  
I'm still madly crazy for you

Still madly crazy for you  
What can I say  
what can I do  
I'm crazy, so crazy for you  
I try not to show it  
But my heart just can't hold it  
I'm still madly crazy for you
