

Robyn, Here We Go

I couldn't wait another minute when I had you here again
I couldn't wait no longer
'Cause baby it's been more than minutes
Since we were more than friends
All of this time I thought,
I thought that nothing had changed
But it's all the same

Here we go
Once again you and I are more than friends
Here we go
Makin' love again
Here we go
Even though we both know this is not right
Here we go
Makin' love another night

Makin' love to you is easy It's something that I missed so long
Baby the way that you please me it feels so right It can't be wrong
All of this time I thought,
I thought that nothing had changed But it's all the same
