

Robyn, You've Got That Somethin'

Look at me, here I am.
I'm givin' all of my lovin'
Everyday of my life, to you.
All you see, can be yours
If you show me, you want me
And just one, little hint will do.
And I know, I give too much,
And there is much that I sacrifice,
But I've got all the reasons,
When I look into your eyes.
I know I love you,
Even though I shouldn't.
And you should know I've tried to stop,

But you've got that somethin'
Somethin' I can't describe.
It gives me that feelin'
It gives me that freakin' vibe.
You've got that somethin',
That makes me feel so fine,
Makes it worth waitin',
Until the day that you will be mine.
All mine..

You decide to take your time.
I just want you to know that
I'll always be here for you.
Friends keep tellin' me,
"You gotta let go."
They say that I'm too good for you
And maybe that is true.
But I'll just keep on
Lovin' you the way I did before,
And you should know I've tried to stop.

But you've got that somethin'
Somethin' I can't describe.
It gives me that feelin'
It gives me that freakin' vibe.
You've got that somethin',
That makes me feel so fine,
Makes it worth waitin',
Until the day that you will be mine.
You've got that somethin'
Somethin' so hard to find.
And it keeps buggin' me
And I can't get you outta my mind.

'Cos you've got that somethin'
Somethin' I can't describe.
It gives me that feelin'
It gives me that freakin' vibe.
You've got that somethin',
That makes me feel so fine,
Makes it worth waitin',
Until the day that you will be mine.
You've got that somethin'
Somethin' so hard to find.
And it keeps buggin' me
And I can't get you outta my mind.
