

# Roch Voisine, By Myself

i didn't wanna have to make you cry  
i didn't want to say goodbye  
i couldn't bare to face the truth  
but i was me and you were you

i didn't wanna have to let you down  
i didn't want to hang around  
pretending we'd would make it through  
cuz you lost me and i lost you

i'm by myself  
my heart is shakin  
was i mistaken bout leavin today  
beside myself  
our love is fadin  
i'm slowly breakin away

i didn't wanna have to start and then  
i didn't want to face the end  
i didn't want to hold the pain  
i can't afford to feel again

this is where i'm in my life  
and i know somehow i'll get by  
i didn't want to feel the cold  
but babe i have to let u go

i'm by myself  
my heart is shakin  
was i mistaken bout leavin today  
beside myself  
our love is fadin  
i'm slowly breakin away

forgiven me if i've never got 2 say i'm sorry  
forgive me girl cuz i wont be around

i'm by myself  
beside myself  
our love is fadin  
i'm slowly breakin away

i'm by myself  
my heart is shakin  
was i mistaken bout leavin today  
beside myself  
our love is fadin  
i'm slowly breakin away

i didn't wanna have to make you cry
