

Rock Kills Kid, Everything To Me

Sunday morning Im tired lonely
Waiting for someone to save me
All the boys say you might be the one for me
I hope you can save me before I lose it

Ive been dying inside
Got nothing to hide
I think we should try to lose ourselves tonight
For all that its worth
With every word
You make me want to believe in you and me
Cause your everything to me and I want you to know
Youre everything to me and I want it/wanted? to show

Days go by now time ticks slowly
I cant wait till youre with me
Till then Ill sit and think in my room alone
Out there theirs nothing for me
Theirs nothing for me anymore

I cant explain it but its making sense in my head?
You and me (you and me)
I cant explain it but its making sense in my head
