

Rock Star Supernova, Valentine

Slowly I lift up the blinds
Another day away
Further for watching your lies
Say what they wanted to say again

So did a chance pass us by
Cause I can't seem to open your eyes
If you could see how this hurts
To feel only words

Dangerous wonderful, I'm so invisible
Can you build me just to break me at last
Caged like an animal, this is so predictable
Have you fallen, cause I'm falling so bad

Slowly you crept up behind
I wanted you to stay
Hiding the sex in your mind
Staring while they look away ... look away

So did a chance pass us by
Cause I can't seem to open your eyes
If you could see how this hurts

To feel only words

Dangerous wonderful, I'm so invisible
Can you build me just to break me at last
Caged like an animal, this is so predictable
Have you fallen, cause I'm falling so bad

.. Talk to me...

So did a chance pass us by
Cause I can't seem to open your eyes
If you could see how this hurts
To feel only words

Dangerous wonderful, I'm so invisible
Can you build me just to break me at last
Caged like an animal, this is so predictable
Are you falling, cause I'm falling so bad

Dangerous wonderful, I'm so invisible
Can you build me just to break me at last
Caged like an animal, this is so predictable
Are you falling, cause I'm falling so bad
