

# Rockapella, Falling Over You

I made up my mind, ain't wasting no more time  
I made up my mind, I'm falling over you

I've been playing schoolboy, dishing funny schoolboy games  
(Got to run and hide, he got to run and hide)  
But I've been to the river, seen water turn to sweet red wine  
(You opened up your eyes, you opened up your eyes)

Now I throw the book at yesterday, and I've got just one thing to say  
Hey hey hey

Chorus

I made up my mind, ain't wasting no more time  
But I made up my mind that I'm falling over you  
Mighta bust my world, just faking my way through  
But I made up my mind that I'm falling over you

Seven busy mornings, and Noah had himself an ark  
(It ain't done overnight, it ain't done overnight)  
But I've been working dizzy, gonna find the funky fruit by dark  
(You know you did it right, he up and did it right)

Now I've burned the book of yesterday, and I've got just one thing to say  
Hey hey hey

(Chorus)

Listen to me babe, my tale's a bitter, twisted, sorry tale...

Like a baby, I was a selfish thing  
Your bee was buzzing, girl, and I dig the pleasure sting  
My brain is buggin', My lips the first in line  
Feed me your loving so fine  
Hey hey hey

(Chorus - repeat twice)

And I made up my mind that I'm falling over you  
And I made up my mind that I'm falling over you.
