

Rocket From The Crypt, Suit City

Check out the scene here,
You gotta look twice.
Nobody's listening,
Run sister, run.

And do you know what I know? (Suit, suit city)
And do you know the reason? (Suit, suit city)
And educate what I said.
Run, darlin' run.

And it happens all the time,
You just leave your kids behind.
Suit city (x3), suit (x3).

Sharks in the fast lane,
Big fuckin' deal.
The lot sees you coming
Climbing (crying) like hell

And do you know what I know? (Suit, suit city)
And do you know the reason? (Suit, suit city)
And educate what I said.
Run, gotta sister run.

And it happens all the time,
You just leave your kids behind.
Suit city (x3), suit (x3).

All right! (x2) Yeah!

I can fill your shoes with shit!

Suit city (x3), suit (x3).
Suit city (x3), suit (x3).
Suit city (x3), suit (x3).
