

# Rockstars Lovefist, Dangerous Bastard

Good evening Vice City!  
Welcome!

Come on noooooow-wow-wow-wow!

Lemme see ya!!

Yeah, I'm a dangerous bastard;  
And I'm bullet-proof.  
I tell ya liiiiife is a lesson look;  
Sometimes i get flu...

A devil looks into my eye,  
And he makes my voice go ahhhhh!!  
Is there nothing in his eye,  
God I need to know...

Is it true, you like my curls?  
Do you think we look like girls?  
Would it cause a sexual block;  
If you saw, our, great, big socks!

Lemme see ya!!

I keep drivin' faster!  
Going through the roof.  
I wanna ruuuuun a delicatessen love;  
That don't make me a proof...

Action, camera, lipstick lights;  
I fit in mercede's tights.  
No-one knows i play guitar,  
Wearing her red bra.

Is it true you like my curls?  
Do you think we look like girls?  
Would it cause a sexual block;  
If you saw, our, great, big socks!

Auh!

Thank you!  
Thank you!  
Good evening!  
Good night!  
Give yourselves no crap.  
You make me feel myself all over.  
Oh man, we love you back!
