

# Rod Stewart, Crying Laughing Loving Lying

(Siffre)

Crying,  
Crying never did nobody no good  
no how, no how  
Thats why I,  
I don't cry  
Thats why I,  
I don't cry

Laughing,  
Laughing sometimes does  
somebody some good  
somehow, somehow  
Thats why I  
I'm laughing now  
Thats why I  
I'm laughing now

Loving,  
Loving never did me no good  
no how, no how  
Thats why I  
can love you now  
Thats why I  
can love you now

Lying,  
Lying never did nobody no good  
no how, no how  
So why am I  
lying now  
So why am I  
lying now
