

Rod Stewart, Da Ya Think I'm Sexy

Sugar, sugar

She sits alone waiting for suggestions

He's so nervous avoiding all the questions

His lips are dry, her heart is gently pounding

Don't you just know exactly what they're thinking

If you want my body and you think I'm sexy

come on sugar let me know.

If you really need me just reach out and touch me

come on honey tell me so

Tell me so baby

He's acting shy looking for an answer

Come on honey let's spend the night together

Now hold on a minute before we go much further

Give me a dime so I can phone my mother

They catch a cab to his high rise apartment

At last he can tell her exactly what his heart meant

If you want my body and you think I'm sexy

come on honey tell me so

If you really need me just reach out and touch me

come on sugar let me know

His heart's beating like a drum

'cos at last he's got this girl home

Relax baby now we are alone

They wake at dawn 'cos all the birds are singing

Two total strangers but that ain't what they're thinking

Outside it's cold, misty and it's raining

They got each other neither one's complaining

He says I'm sorry but I'm out of milk and coffee

Never mind sugar we can watch the early movie

If you want my body and you think I'm sexy

come on sugar let me know

If you really need me just reach out and touch me

come on honey tell me so

If you really need me just reach out and touch me

come on sugar let me know

If you really, really, really, really need me

just let me know

Just reach out and touch me

If you really want me

just reach out and touch me

come on sugar let me know

If you really need me just reach out and touch me

come on sugar let me know

If you, if you, if you really need me

just come on and tell me so
