## Rod Stewart, I Just Got Some

(Maborn)

[B side of Columbia DB 7892, 1966] Well, I know y'all look as if you need some

But I just got some I surely got some The doctor prescribed some I surely need some Have to, have to have some, baby Oh, I just went out and got some

My pockets ain't jinglin' and I'm gettin' fat You know you can't hide it, I know where it's at My pockets are as heavy as a chunk of lead I just got a taste of her meat and veg

I had to have some Sure did need some Doctor prescribed some Had to, had to, had to have some baby Y'all know I look as if I need some Oh, I just went out and got some, oh

## Yeah

You would not help me when you really could But right now baby, you can't do me no good Cause I just got some Had to, had to, have some Doctor prescribed some Had to, had to, had to have some baby Y'all know I look as if I need some Oh, I just went out and got some, oh

## Yeah

You would not help me when you really could But right now baby, you can't do me no good Cause I just got some Had to, had to, have some Doctor prescribed some You all know I look as if I need some

I just got some Had to had to have some, baby, oh I just got some Everybody knows that I need some The doctor even prescribed me some Oh, yeah
