

Rod Stewart, My Heart Stood Still

(Rodgers, Hart)

I laughed at sweethearts
I met at schools
All indiscreet hearts
Seemed romantic fools
A house in Iceland
Was my heart's domain
I saw your eyes
Now castles rise in Spain!

I took one look at you
That's all I meant to do
And then my heart stood still
My feet could step and walk
My lips could move and talk
And yet my heart stood still

Though not a single word was spoken
I could tell you knew
That unfelt clasp of hands
Told me so well you knew
I never lived at all
Until the thrill of that moment when
My heart stood still

Though not a single word was spoken
I could tell you knew
That unfelt clasp of hands
Told me so well you knew
I never lived at all
Until the thrill of that moment when
My heart stood still
All that moment when
My heart stood still
My heart stood still
My heart stood still
