Rod Stewart, Superstar

Feels like I'm goin' insane
I'm loosin' my brain
I can't stand the pain I'm feelin'
Open my arms, they don't reach
I want you to teach me
What do I do now, baby
What do I do now, baby

Cry every day I exist
I wanna be missed
I wanna be needed, baby
Don't wanna put on a show
So where do I go
and what do I do now, baby
what do I do now, baby

Sometimes it seems to me
Like my whole worlds fallin' apart
I miss you so much, dear
Won't you come back to my arms
Oh yeah

Thoughts spinnin' round in my head
the things that you said
I wanna be sleepin', baby
Open my eyes, there's no one
The damage is done
Oh what do I do now, baby
what do I do now, baby
what do I do now, baby
(repeat and fade)
