

# Rod Stewart, To Be With You

Oh, yeah  
A shoulder to cry on  
Someone to lean on  
Someone to take you away  
Someone to talk to  
And somewhere to walk to  
I need to remind you someday  
Whenever you need me  
I'll make the time  
To be with you (be with you)  
To be with you (be with you)  
A night to remember  
The rain in September  
I want to share it with you  
The month by the ocean  
We swore our devotion  
Making all our wishes come true, come true  
Whenever you need me  
I'll make the time  
To be with you (be with you)  
To be with you (be with you)  
I want you to know  
I've never before  
Felt this way  
No other words can say  
I was lost just yesterday  
Until I found you  
Oh, yeah  
Whenever you need me  
I'll make the time  
To be with you (be with you)  
To be with you (be with you)  
The night to remember  
The rain in September  
I want to share it with you  
The month by the ocean  
We swore our devotion  
Making all our wishes come true, come true  
Oh, oh, yeah  
Oh, yeah  
Ooh, ooh
