Rod Stewart, Tonight Im Yours

Stay away from my window Stay away from my backdoor too Disconnect the telephone line Relax baby and draw that blind Kick off your shoes, and sit right down Loosen up that pretty French gown Let me pour ya a good long drink Ooh, baby don't you hesitate, 'cause Tonight's the night It's gonna be alright 'cause I love you girl Ain't nobody gonna stop us now C'mon, angel, my hearts on fire Don't deny your man's desire You'd be a fool to stop this tide Spread your wings and let me come inside, 'cause Tonight's the night It's gonna be alright 'cause I love you girl Ain't nobody gonna stop us now

Don't say a word, my virgin Child Just let your inhibitions run wild The secret is about to unfold Upstairs before the night's too old Tonight's the night It's gonna be alright 'cause I love you girl Ain't nobody gonna stop us now
