

# Rodlund & Hewie, Without You (The Moose) feat

Holding on,  
It's just another day, another day  
Holding on,  
it's just another day without you.

My heart's gone  
It's dark now  
It feels like the end of the show  
Been so long, since I've been in love  
Or is this the end of the road?

I'm holding on,  
It's just another day,  
Just another day.  
I'm holding on,  
It's just another day without you (you /20x)  
It's just another day without you!
