Rodlund & Hewie, Without You (The Moose) feat

Holding on, It's just another day, another day Holding on, it's just another day without you.

My heart's gone It's dark now It feels like the end of the show Been so long, since I've been in love Or is this the end of the road?

I'm holding on,
It's just another day,
Just another day.
I'm holding on,
It's just another day without you (you /20x)
It's just another day without you!
