

# Rodney Atkins, Yeah She Does

Baby likes to stay up early,  
Baby likes to get up late  
She likes to spend my money,  
Never leaves a thing on her plate  
Yeah, yeah  
Baby likes to steal the covers  
And tells me she's still cold  
She likes to call her mama  
When I don't do what I'm told  
Don't like to do what I'm told  
Does she love me, whoa whoa yes she does  
Does she love me, whoa whoa yes she does  
Does she love me, whoa whoa yes she does  
I love every thing about her,  
Specially when she wants my love  
I love every thing about her,  
Specially when she wants my love  
She's got a jealous bone  
She likes me under her thumb  
Keeps me in her pockets  
And keeps me comin' undone  
Mmmmm it's all in the name of good fun  
Ain't it baby  
Yes I'm her only one  
I love to her say c-c-c-c-come on  
It rolls right off a her tongue  
Mmmmm yeah it does  
Does she love me, whoa whoa yes she does  
Does she love me, whoa whoa yes she does  
Does she love me, whoa whoa yes she does  
I love every thing about her,  
Specially when she wants my love  
And if she ever said goodbye  
I know that I would surely die  
Does she love me, whoa whoa yes she does  
Does she love me, whoa whoa yes she does  
Does she love me, whoa whoa yes she does  
I love every thing about her,  
Specially when she wants my love  
Does she love me, whoa whoa yes she does  
Does she love me, whoa whoa yes she does  
Does she love me, whoa whoa yes she does  
I love every thing about her,  
Every thing about her  
I love every thing about her,  
Specially when she wants my love
