

Roger Clyne & The Peacemakers, Mercy

Dont pick up the phone
Dont look me in the eye
Dont you do anything
Til you break down and cry

Leave your gates unguarded
Let your sentries sleep
You dont have to give away any secrets
No, those you should keep

Mercy
Mercy
Mercy May I be your
Mercy
Mercy

Dont look for the reason
Dont ask why
I know the season is crawin now
Pretty soon itll fly

Mercy
Mercy
Mercy May I be your
Mercy
Mercy

Your are surrounded
Already aglow
You already shine
You already shine
You already shine

Mercy

Mercy May I be your
Mercy

You already shine...
