

# Roger Creager, Love Is So Sweet

Roger Creager

I've been around the world a long time, Mister  
And I've got a thing or two to say  
I won't try to bore you with a tough tongue twister  
You wouldn't buy that anyway

Love is so sweet  
It makes you bounce when you walk down the street

You've been to school, you say you are a lawyer  
You walked out of a magazine  
I've been a drifter and a low-life loser  
You could learn a lot from me

Hey I - I've gotta say  
I have looked at life a whole n'other way  
Love is so sweet  
It makes you bounce when you walk down the street

One thing in common is we all are different  
And we're supposed to be that way  
Live and let live is such a good reminder  
You'd do well to be that way

Hey I - I've gotta say  
I have looked at life a whole n'other way  
Love is so sweet  
It makes you bounce when you walk down the street  
Hey - I said love is so sweet  
It makes you bounce when you walk down the street  
Hey - I said love is so sweet  
It makes you bounce when you walk down the street
