

# Roger Hodgson, Along Came Mary

Was alone then along came Mary  
Hair of gold and lips like cherries  
Was amazed when she stole my thunder  
Filled my world with the ways of wonder

Come away come away with me  
Far away where the eyes can't see  
Come away to another time  
Pardon if you lose your mind

Who are you now?  
Who makes the rules?  
Follow your heart and get back....  
Won't you get back....  
Oh get back

Was alone then along came Mary  
Hair of gold and lips like cherries  
Was amazed when she stole my thunder  
Filled my world with the ways of wonder

Come away come away with me  
Far away where the eyes can't see  
Come away to another time  
Pardon if you lose your mind  
Pardon if you lose your mind  
Pardon if you lose your mind-if you lose your mind
