

Roger Hodgson, Hai Hai

The sun goes up, the sun goes down
And still my life is just spinning round
It builds me up, it drags me down
And keeps me looking for some solid ground

Hai Hai, Hai Hai, Hai Hai

The race is on, the stakes are high
They want your body, better dance or die
The game is up, the die is cast
This roller-coster may well be your last

Hai Hai, Hai Hai, Hai Hai

If you want to know me, if you want to know me
Won't you love me like nobody ever did before
The road is long, the climb is steep
And ghosts and goblins never seem to sleep
The storm has gone, the sky is clear
But there ain't no courage when there ain't no fear

So get away, oh get away...

The sun goes up, the sun goes down
And this old world is still spinning around
It fills me up, it drags me down
And keeps me looking for some solid ground

Hai Hai, Hai Hai, Hai Hai

If you want to know me, if you want to know me
Won't you love me like nobody ever did before
