

Roger Hodgson, Hungry

This morning when I woke up
I fixed myself a drink
I was feeling kind of broke up
My mind was on the blink

I couldn't see a future
Can't seem to hold a job
I feel I'm just a loser
Oh when's it gonna stop

I said By, say you'll always get to hold me
Say we'll never go hungry
Never run out of money
You say we'll just have to hold on
Maybe life is just a put on
Won't you come and just hold me
Say I'll never get lonely

Some mornings when I wake up
I just don't know who I am
If I look behind the make-up
I see a troubled man

I wander in the darkness
Just talking to the walls
Seems life has turned against me
Who'll catch me if I fall

I said By, say you'll always want to hold me
Say we'll never go hungry
Never run out of money
Give me something to hold on
Tell me life is just a put on
Won't you come and just hold me
Say I'll never get lonely

I said By, say you'll always want to hold me
Say we'll never go hungry
Never run out of money
Give me something to hold on
Tell me life is just a put on
Won't you come and just hold me
Say I'll never get lonely
