

# Roger Hodgson, Lovers In The Wind

Time is always on the run  
We've only just begun  
Lovers in the wind

Life is all we have to share  
You know we must take care  
Lovers in the wind

There was a time when it was hard to know  
Reaching out, reaching out for somewhere to go  
There was a light born on the darkest day  
But no one wants to know  
And no one wants to try

Love is all I have to give  
It's all I need to live  
Lovers in the wind

There was a time when it was hard to know  
Reaching out, reaching out for somewhere to go  
There was a light born on the darkest day  
But no one wants to know  
And no one wants to cry

Time is always on the run  
We've only just begun  
Lovers in the wind
