

Roger Taylor, Let's Get Crazy

(Roger Taylor)

Hey little mama
Give me the keys tonight
(Oooh watcha gonna do)
Hey little honey
You're comin' out with me tonight
(Oooh watcha gonna do)
Let's jump in your wheels
And see how it feels tonight
Let's get crazy let's get crazy tonight
Ooooh yeah
Let's get crazy let's get riled
Oh yeah
Let's get crazy let's get wild tonight
You know that I told you I'd always be true
You know that I could never tell a lie
Well if you believe me the joke is on you
I'll always be crazy 'till the day I die

Hey little fruitcake
Don't wear no shoes tonight
(Oooh watcha gonna do)
We'll get some action
Nothin' to lose tonight
(Oooh watcha gonna do)
Just play your part
I'll show you my heart tonight
Let's get crazy let's get crazy tonight
Ooooh yeah
Let's get crazy let's get insane
Oh yeah
Tell ya baby
You won't feel no pain tonight
Alright

Let's get crazy let's get crazy
Let's get crazy let's get crazy tonight
Let's get crazy let's get crazy
Let's get crazy let's get crazy tonight
Alright

Let's get crazy let's get crazy
Let's get crazy let's get crazy tonight
Alright...
