

# Roger Waters, Three Wishes (in Album 'Flickering

Reached back for the bottle  
And rubbed against the lamp  
Genie came out smiling  
Like some Eastern tramp  
He said, hey boy what's happening  
What is going on  
You can have three wishes  
If you don't take too long  
If you don't take too long  
I said  
Well I wish they were all happy in the Lebanon  
Wish somebody'd help me write this song  
And I wish when I was young  
My old man had not been gone  
Genie said consider it done  
There's something in the air  
And you don't know what it is  
You see someone through the window  
Who you've just learned to miss  
And the road leads on to glory but  
You used up your last wish  
Your last wish  
And you want her to come home  
Bring her home  
Genie said I'm sorry  
That's the way it goes  
Where the hell's the lamp sucker  
It's time for me to go  
Bye  
There's something in the air  
And you don't know what it is  
You see someone through the window  
Who you've just learned to miss  
And the road leads on to glory  
But you used up your last wish  
Your last wish  
And you want her to come home
