

Rolling Stones, Complicated

(Jagger/Richards)

She looks so simple in her way
Does the same thing everyday
But she's dedicated
To having her own way
She's very complicated
Yeah
Women seem to fill her mind
And many men in so short time
But she's underrated
She treats me oh so kind
She's very complicated
Yeah
We talk together and discuss
What is really best for us
She's sophisticated
My head's fit to bust
Cause she's so complicated
She knows just how to please her man
Softer than a baby lamb
But she's educated
Doesn't give a damn
She's very complicated
She looks so simple in her way
Does the same thing everyday
But she's dedicated
To having her own way
She's very complicated
