

# Rolling Stones, I Am Waiting

(M. Jagger/K. Richards)

I am waiting, I am waiting (oh yeah, oh yeah)  
I am waiting, I am waiting (oh yeah, oh yeah)  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere  
You can't hold out, you can't hold out  
Oh yeah, oh yeah  
You can't hold out, you can't hold out  
Oh yeah, oh yeah  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere  
See it come along and  
don't know where it's from  
Oh, yes you will find out  
Well, it happens all the time  
It's censored from our minds  
You'll find out  
Slow or fast, slow or fast  
Oh yeah, oh yeah  
End at last, end at last  
Oh yeah, oh yeah  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere  
Stand up coming years  
and escalation fears  
Oh, yes we will find out  
Well, like a withered stone  
Fears will pierce your bones  
You'll find out  
Oh we're waiting, oh we're waiting  
Oh yeah, oh yeah  
Oh we're waiting, oh we're waiting  
Oh yeah, oh yeah  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere  
Oh we're waiting, oh we're waiting  
Oh we're waiting, oh were waiting...
