

# Rolling Stones, Mixed Emotions

(M. Jagger/K. Richards)

Button your lip baby  
Button your coat  
Let's go out dancing  
Go for the throat  
Let's bury the hatchet  
Wipe out the past  
Mae love together  
Stay on the path  
You're not the only one  
With mixed emotions  
You're not the only ship  
Adrift on this ocean  
This coming and going  
Is driving me nuts  
This to-ing and fro-ing  
Is hurting my guts  
So get off the fence  
It's creasing your butt  
Life is a party  
Let's get out and strut  
You're not the only one  
That's feeling lonesome  
You're not the only one  
With mixed emotions  
You're not the only one  
You're not the only one  
You're not the only one  
You're not the only one  
You're not the only one  
Let's grab the world  
By the scruff of the neck  
And drink it down deeply  
Let's love it to death  
So button your lip  
And button your coat  
Let's go out dancing  
Let's rock 'n' roll  
You're not the only one  
With mixed emotions  
You're not the only ship  
Adrift on this ocean  
You're not the only one  
That's feeling lonesome  
You're not the only one  
With mixed emotions
